Appreciation and Commendation

Walt
1. I am writing to you to express my sincere appreciation for your services, since 1978, as the primary representative for the Office of Finance to the Agency Contract Review Board. The Chairman and other members of the Board relied heavily on your advice and counsel regarding financial matters. You used your expertise and spoke out on issues in such a way that both the interests of your office and the Agency were well served.

2. Again, may I say that we commend you and thank you for your excellent support, and we wish you well in your retirement.
